## Bappa goes online in Covid times with Zoom, FB, Google aarti

AGENCIES / New Delhi

With almost the whole world functioning virtually during coronavirus times, Ganapati will give darshan on Zoom, Facebook and Google platforms during the upcoming Ganesh Chaturthi festival which has been cut short from 10 to one and a half days at most places due to the pandemic.

The grandeur of Ganesh Chaturthi celebrations in Maharashtra may be unparalleled, but the homecoming of Bappa in Delhi is not lacklustre either. Every year in August devotees bring Ganesh

into their house, temple, or pandal as a guest. The idol is worshipped with elaborate rituals for 10 days along with various cultural programmes. Festival organisers spend weeks in planning the pandals, decoration, programmes and gatherings. This year with the festival approaching on August

22 they are busy creating social media links, arranging virtual darshans and ensuring safety and health protocols for those who will be there with the elephant-headed deity. Marathi Mitra Mandal, Alaknanda, one of the oldest mandals in NCR region, will hold 'aarti' and darshans on FB live. "This is the second time in 35 years we are bringing Bappa for only one and a half days. It is difficult to organise festivals in Covid times and breaking tradition is considered to be a bad omen," Nivedita Pande from the organising committee said.

The Centre on Wednesday ordered "immediate" withdrawal of about 10,000 paramilitary personnel from the Union Territory of Jammu and Kashmir, officials said.

This is the biggest de-induction of these forces after additional troops were rushed to the UT post the abrogation of the Article 370 of the Constitution that gave the erstwhile state a unique status.

They said the decision was taken after the Ministry of Home Affairs reviewed the deployment of the Central Armed Police Forces (CAPFs) in the union territory (UT).

The Home Ministry had last withdrawn 10 CAPF companies from the UT in May, while 72 such units were taken out in December last year.

A senior official told PTI that a total of 100 CAPF com-

panies have been ordered to be withdrawn "immediately" on Wednesday and they have been asked to revert to their base locations in the country.

As per the directions, a total of 40 companies of the Central Reserve Police Force (CRPF) and 20 each of the Central Industrial Security Force, the Border Security

Force and the Sashastra Seema Bal, will be taken out from Jammu and Kashmir by this week.

The CRPF has been asked to make arrangements for air lifting of these units to Delhi and other locations, they said. A CAPF company has an operational strength of about 100 personnel.

## 772 lawyers write to CJI raising concerns on emerging trend to browbeat judiciary

NEW DELHI

A group of 772 lawyers have written a letter to Chief Justice S.A. Bobde to raise concerns on an emerging trend to browbeat and intimidate the judiciary.

"India has witnessed a series of attacks by institutional disruptors against judges who are unwilling to agree with them and toe the line drawn by them. It is unfortunate that when political ends of lawyers are not served by a decision of the court, they vilify the court by making scandalising remarks. The Supreme Court of India as well as the judges are subject to both scurrilous language, malicious attacks and scandalising remarks", said the statement.

On August 14, the Supreme Court held advocate Prashant Bhushan guilty of contempt of court and fixed the date of hearing for his sentencing on August 20. A statement was issued by 'Campaign for Judicial Accountability and Reforms', (CJAR) on August 15, condemning the judgment and further calling upon the Supreme Court, and every judge, to reconsider their decision. CJAR includes a retired judge, Justice PB Sawant, former law minister and senior advocate Shanti Bhushan among others as their patrons.

In the letter to the Chief Justice, the lawyers emphasised that legitimate criticism of both judge-

ments and the functioning of the institution has always existed however when the criticism is calculated and actuated by malice, it is the authority of the court which is undermined. "We urge you to uphold the edifice of the judicial system and protect the third pillar of our democracy from those who peddle falsehood to destroy the institution. We sincerely hope that the Supreme Court of India ensures that such persons are dealt with in an exemplary manner, even if such actions are taken thirteen years later or else such trends will only accelerate and strike a blow to the guardian of the rule of law," read the statement.
